In sending out this our sixth annual Seed List, we wish to thank all our customers for the patronage given us during the past years, and hope all of you will continue to send your order this way, and tell your friends about us, too. We are trying to have only the very best obtainable in seeds, and are importing most part from Denmark. Where the American seeds are better than foreign, we have the American grown, but a good many kinds are grown more successfully in the northern climate of Denmark.

Assuring any order you may send us our very best attention, we are,

Respectfully yours,

DANISH SEED IMPORT,

Chris Mosberg.

Minneapolis, Minn., January, 1920.

TERMS

All prices subject to change and to being unsold.

5% cash discount allowed if money accompanies order.

Delivery charges will be paid by us for all seeds except peas, beans, sweet corn, field seeds and bulbs.

All seeds are tested for germination, and those tests are at your service, if desired.

We use every care in having all seeds pure and reliable, but will not in any way be responsible for quality, description or the crop.

Chris Mosberg.
